S 948. SMALL DAIRY SUSTAINABILITY. Filed 3/19/07. Senate amendment makes the following changes to 2nd edition. Modifies GS 130A-279 to prohibit raw milk and raw milk products from being dispensed for human consumption without notice being provided to the consumer about the public health risks associated with human consumption of raw milk. Directs the Commission for Health Services (CHS) to adopt rules for providing notice of the public health risks of the consumption of raw milk. Provides that the CHS may adopt temporary or emergency rules in accordance with GS Chapter 150B to implement the act. Makes conforming changes to the title.
