The distribution amount shall be reduced by an amount equal to the amount raised in qualifying contributions after the day of the primary. For purposes of this subsection, "campaign-related expenditures" does not include loan repayments and contributions to a candidate, political committee, or political party. For purposes of this subsection, expenditures are made in the general election if they are required to be reported on the third and fourth quarterly reports of that election year.
- (c) Method of Fund Distribution. The Board, in consultation with the State Treasurer and the State Controller, shall develop a rapid, reliable method of conveying funds to certified candidates. In all cases, the Board shall distribute funds to certified candidates in a manner that is expeditious, ensures accountability, and safeguards the integrity of the Fund. If the money in the Fund is insufficient to fully fund all certified candidates, then the available money shall be distributed proportionally, according to each candidate's eligible funding, and the candidate may raise additional money in the same manner as a nonparticipating candidate for the same office up to the unfunded amount of the candidate's eligible funding.

In making its determination, the Board shall not consider evidence external to the communication itself of the intent of the sponsor or the effect of the communication. In addition to any fine, for good cause shown, a candidate found in violation of this Article may be required to return to the Fund all amounts distributed to the candidate from the Fund. If the Board makes a determination that a violation of this Article has occurred, the Board shall calculate and assess the amount of the civil penalty and shall notify the entity that is assessed the civil penalty of the amount that has been assessed. The Board shall then proceed in the manner prescribed in G.S. 163-278.34.
