A BILL TO BE ENTITLED

AN ACT AMENDING THE CONTINUING EDUCATION REQUIREMENTS FOR CERTIFIED WELL CONTRACTORS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 87-98.12 reads as rewritten:

"§ 87-98.12. Continuing education requirements.

In order to continue to be certified under this Article, a well contractor shall satisfactorily complete the number of hours of approved continuing education within a one-year period as required by the Commission, provided that the Commission may not require more than four hours within a one-year period. The Commission shall establish the minimum number of hours of continuing education that shall be required to maintain certification, for completing continuing education within the one-year period, shall specify the scope of required continuing education courses, and shall approve continuing education courses."

SECTION 2. This act becomes effective July 1, 2013.
