20 applied for and voted under this section through a combination of hours and  
21 numbers of one-stop sites during the primary and general election  
22 respectively.

23 (2) The county board of elections shall calculate the number of hours during the  
24 2010 primary election and 2010 general election that the county provided for

2 primary and general election respectively.

3 The State Board of Elections, to ensure compliance with this subsection, may approve a  
4 one-stop site in a building that the county board of elections is not entitled under G.S. 163-129
