SENATE DRS15109-LR-75A\* (03/04)

Short Title: Healthy Families & Workplaces/Paid Sick Days. (Public)

Sponsors: Senators Bryant, Woodard, and Foushee (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT PROVIDING FOR HEALTHY FAMILIES AND HEALTHY WORKPLACES BY  
3 ENSURING THAT ALL WORKERS HAVE EARNED PAID SICK DAYS TO  
4 ADDRESS THEIR OWN HEALTH NEEDS AND THE HEALTH NEEDS OF THEIR  
5 FAMILIES.

6 Whereas, nearly every worker in North Carolina is likely to need, during any given  
7 year, time off to attend to his or her own illness or that of an immediate family member or for  
8 routine medical care; and

9 Whereas, when parents are available to care for their children who become sick, the  
10 children's recovery is faster, more serious illnesses are prevented, and the children's overall  
11 health is improved; and

12 Whereas, parents who cannot afford to miss work must send children with a  
13 contagious illness to child care or school, contributing to the high rate of infections in child  
14 care centers and schools; and

15 Whereas, over 116,000 North Carolina women reported physical abuse by a  
16 husband or boyfriend in 2013-2014, and there were 955 domestic violence-related homicides  
17 between 2002 and 2014; and

18 Whereas, victims of domestic violence need time off to care for their health or to  
19 find solutions, such as a restraining order or housing, to avoid or prevent abuse and are forced  
20 to lose days of paid employment; and

21 Whereas, thirty-nine percent (39%) or over 1.2 million private-sector workers in  
22 North Carolina are not entitled to any earned paid sick days to care for their own health needs  
23 or the health needs of members of their families; and

24 Whereas, low-income workers are significantly less likely to have earned paid sick  
25 days with sixty percent (60%) of those earning less than twenty thousand dollars (\$20,000) per  
26 year lacking access to earned paid sick days; Now, therefore,  
27 The General Assembly of North Carolina enacts:

28 **SECTION 1.** Chapter 95 of the General Statutes is amended by adding a new  
29 Article to read:

1 worked. Paid sick time may be used as accrued, or be loaned by the employer at its discretion,  
2 to the employee in advance of accrual. Unless the employer and employee agree to designate

11 days of separation by the same employer, previously accrued paid sick time that had not been

13 accrue additional sick time at the commencement of employment.

14 **"§ 95-31.5. Use of paid sick time.**

15 (a) Paid sick time shall be provided to an employee by an employer for any of the  
16 following reasons:

17 (1) To care for the employee's immediate family member who is suffering from  
18 a physical or mental illness, injury, or medical condition that requires home  
19 care, professional medical diagnosis or care, preventative medical care, or a  
20 routine medical appointment, unless the care is covered under federal law.

21 (2) To care for the employee's own physical or mental illness, injury, or medical  
22 condition that requires home care, professional medical diagnosis or care,  
23 preventative medical care, or a routine medical appointment, unless the care  
24 is covered under federal law.

25 (3) To allow an employee to address the psychological, physical, or legal effects  
26 on himself or herself, or an immediate family member, of domestic violence,  
27 sexual assault, or stalking.

28 (b) An employer may require certification of the qualifying illness, injury, health  
29 condition, or violence when a paid sick time period covers more than three consecutive  
30 workdays. Any reasonable documentation signed by a health care provider involved in  
31 following or treating the illness, injury, or health condition, and indicating the need for the  
32 amount of sick days taken, shall be deemed acceptable certification. Acceptable certification of  
33 domestic violence, sexual assault, or stalking may include (i) law enforcement, court, or federal  
34 agency records or files; (ii) documentation from a domestic violence or sexual assault program;  
35 or (iii) documentation from a religious, medical, or other professional from whom assistance  
36 was sought in dealing with the alleged domestic violence, sexual offense, or stalking.

37 (1) The employer shall not require certification from a health care provider  
38 employed by the employer. The employer shall not delay the  
39 commencement of time taken for purposes of subsection (a) of this section  
40 or pay for this period on the basis that the employer has not yet received the  
41 certification. Nothing in this section shall be construed to require an  
42 employee to provide as certification any information from a health care  
43 provider that would be in violation of section 1177 of the Social Security  
44 Act or the regulations promulgated pursuant to section 264(c) of the Health  
45 Insurance Portability and Accountability Act, 42 U.S.C. § 1320d-2.

46 (2) An employer may not require disclosure of details relating to domestic  
47 violence, sexual assault, or stalking or the details of an employee's medical  
48 condition as a condition of providing paid sick time under this Article. If an  
49 employer possesses health information or information pertaining to domestic  
50 violence, sexual assault, or stalking about an employee or employee's  
51 immediate family member, such information shall be treated as confidential

1 and not disclosed except to the affected employee or with the permission of  
2 the affected employee.

3 (c) When the use of sick time is foreseeable, the employee shall make a good-faith  
4 effort to provide notice of the need for such time to the employer in advance of the use of the  
5 sick time and shall make a reasonable effort to schedule the use of sick time in a manner that  
6 does not unduly disrupt the operations of the employer.

7 (d) An employer may not require, as a condition of providing sick time under this act,  
8 that the employee search for or find a replacement worker to cover the hours during which the  
9 employee is on paid sick time.

10 (e) Nothing in this section shall be construed as requiring financial or other  
11 reimbursement to an employee from an employer upon the employee's termination, resignation,  
12 retirement, or other separation from employment for accrued paid sick days that have not been  
13 used.

14 (f) Nothing in this section shall be construed to discourage employers from adopting or  
15 retaining paid sick time policies more generous than policies that comply with the requirements  
16 of this section, and nothing in this section shall be construed to diminish the obligation of an  
17 employer to comply with any contract, collective bargaining agreement, or any employment  
18 benefit program or plan that provides greater sick time leave rights to employees than the rights  
19 established under this section.

20 (g) This act provides minimum requirements pertaining to paid sick time and shall not  
21 be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation,  
22 requirement, policy, agreement, or standard that provides for greater accrual or use by  
23 employees of sick time, whether paid or unpaid, or that extends other protections to employees.

24 (h) Employers who have a paid time-off leave policy shall not be required to modify  
25 that policy, if that policy offers an employee the option, at the employee's discretion, to take  
26 paid sick time that is at least equivalent to the amounts and for the same purposes and under the  
27 same conditions as provided under this section.

28 **"§ 95-31.6. Notification, posting, and records.**

29 Employers shall give notice that employees are entitled to paid sick time, the amount of  
30 paid sick time, and the terms of its use guaranteed under this section, that retaliation against  
31 employees who request or use paid sick time is prohibited, and that each employee has the right  
32 to file a complaint with the Commissioner of Labor or in the General Court of Justice if sick  
33 time as required by this Article is denied by the employer or the employee is retaliated against  
34 for requesting or taking paid sick time. Employers may comply with this section by supplying  
35 each of their employees with a notice in English and Spanish that contains the information  
36 required by this section or by displaying a poster in a conspicuous and accessible place in each  
37 establishment where the employees are employed which contains in English and Spanish all  
38 information required by this section.

39 **"§ 95-31.7. Enforcement.**

40 (a) The Commissioner shall enforce and administer the provisions of this Article, and  
41 the Commissioner or his or her authorized representative is empowered to hold hearings and to  
42 institute civil proceedings hereunder.

43 (b) The Commissioner or the Commissioner's authorized representative shall have  
44 power to administer oaths and examine witnesses, issue subpoenas, compel the attendance of  
45 witnesses and the production of papers, books, accounts, records, payrolls, and documents, and  
46 take depositions and affidavits in any proceeding hereunder.

47 (c) Any employer who violates the provisions of this Article shall be liable to the  
48 employee or employees affected in the amount of their unpaid sick time as the case may be,  
49 plus interest at the legal rate set forth in G.S. 24-1 from the date each amount first came due.

50 (d) In addition to the amounts awarded pursuant to subsection (c) of this section, the  
51 court shall award liquidated damages in an amount equal to the amount found to be due as

1 provided in subsection (c) of this section, provided that if the employer shows to the  
2 satisfaction of the court that the act or omission constituting the violation was in good faith and  
3 that the employer had reasonable grounds for believing that the act or omission was not a  
4 violation of this Article, the court may, in its discretion, award no liquidated damages or may  
5 award any amount of liquidated damages not exceeding the amount found due as provided in  
6 subsection (c) of this section.

7 (e) Action to recover such liability may be maintained in the General Court of Justice  
8 by any one or more employees.

9 (f) The court, in any action brought under this Article, may, in addition to any  
10 judgment awarded to plaintiff, order costs and fees of the action and reasonable attorneys' fees  
11 to be paid by the defendant. The court may order costs and fees of the action and reasonable  
12 attorneys' fees to be paid by the plaintiff if the court determines that the action was frivolous.

13 (g) The Commissioner is authorized to determine and supervise the payment of the  
14 amounts due under this section, including interest at the legal rate set forth in G.S. 24-1 from  
15 the date each amount first came due, and the agreement to accept such amounts by the  
16 employee shall constitute a waiver of the employee's right to bring an action under subsection  
17 (e) of this section.

18 (h) Actions under this Article must be brought within two years pursuant to G.S. 1-53.

19 (i) The rights and remedies created by this Article are supplementary to all existing  
20 common law and statutory rights and remedies.

21 **"§ 95-31.8. Rules.**

22 The Commissioner of Labor shall adopt rules to implement this Article.

23 **"§ 95-31.9. Severability.**

24 The provisions of this Article shall be severable, and if any phrase, clause, sentence, or  
25 provision is declared to be invalid or is preempted by federal law or regulation, the validity of  
26 the remainder of this Article shall not be affected thereby."

27 **SECTION 2.** G.S. 95-241(a) reads as rewritten:

29 because the employee in good faith does or threatens to do any of the following:
