## **General Assembly Of North Carolina**

1 day, day of attendance, the principal shall present a notice of deficiency to the parent, guardian, 2 or responsible person. person standing in loco parentis. The parent, guardian, or responsible 3 person person standing in loco parentis shall have 30 calendar days from the first day of 4 attendance to present the required health assessment transmittal form for the child. Upon 5 termination of 30 calendar days, the principal shall not permit the child to attend the school until the required health assessment transmittal form has been presented. A child shall not be 6 7 suspended for absences accrued for failure to present the required health assessment transmittal 8 form upon the termination of 30 calendar days, and the child shall be allowed to make up work 9 missed in accordance with G.S. 115C-390.2(1). It shall be noted in the child's official school 10 record when the health assessment transmittal form has been received. 11 A health assessment shall include a medical history and physical examination with (b) screening for vision and hearing and, if appropriate, testing for anemia and tuberculosis. Vision 12 13 screening shall be conducted in accordance with G.S. 130A-440.1. The health assessment may also include dental screening and developmental screening for cognition, language, and motor 14 15 function. The developmental screening of cognition and language abilities may be conducted in 16 accordance with G.S. 115C-83.5(a). 17 The health assessment shall be conducted by a physician licensed to practice (c)18 medicine, a physician's assistant as defined in G.S. 90-18.1(a), a certified nurse practitioner, or 19 a public health nurse meeting the Department's Standards for Early Periodic Screening, 20 Diagnosis, and Treatment Screening. 21 (d) This Article shall not apply to children entering kindergarten in private church 22 schools, schools of religious charter, or qualified nonpublic schools, regulated by Article 39 of 23 Chapter 115C of the General Statutes. 24 (e) As used in this section, "parent, guardian, or person standing in loco parentis" 25 means parent, legal guardian, legal custodian, and caregiver adult, as those terms are used in 26 G.S. 115C-366." 27 **SECTION 3.** G.S. 130A-441 reads as rewritten: 28 "§ 130A-441. Reporting. 29 Health assessment results shall be submitted to the school principal by the medical (a) 30 provider on the statewide standardized health assessment transmittal forms-form developed by 31 the Department and the Department of Public Instruction.Instruction and submitted to the 32 school principal by the health care provider specified in G.S. 130A-440(c) or the parent, 33 guardian, or person standing in loco parentis for the student. The health assessment transmittal 34 form shall include only the items listed below: 35 A statement that the form and information on the form will be maintained on (1)36 file in the school once it has been completed. 37 The name of the school the student is attending or will attend. (2)38 A student information section to be completed by the parent, guardian, or (3) 39 person standing in loco parentis for the student that requires the following 40 about the student: first, middle, and last name; date of birth; sex; race; ethnicity; county of residence; and home address. 41 42 A parent information section that includes the following: name of the parent, (4) guardian, or person standing in loco parentis for the student; a telephone 43 number; and space allowing the parent to share any concerns about the 44 45 student's health with those individuals authorized to have access to the form in subsection (b) of this section. 46 47 A section that includes the following information, if applicable, supplied by (5) 48 a health care provider specified in G.S. 130A-440(c): 49 A list of medications prescribed for the student. a. 50 A list of the student's allergies, the type of allergic reaction, and the b. 51 response required.
