moves to amend the bill on page 1, line 28, by rewriting the line to read:

- "(8) A recommendation whether the General Assembly should require measurability assessments done in accordance with Chapter 143E of the General Statutes in connection with establishing telemedicine reimbursement standards for private health benefit plans.
- (9) Any other issues the Department deems appropriate.";

and on page 2, line 8, by rewriting the line to read:

- "(4) A recommendation whether the General Assembly should require measurability assessments done in accordance with Chapter 143E of the General Statutes in connection with a plan to ensure all North Carolina residents have sufficiently advanced Internet connectivity to receive health care via telemedicine.
- (5) Any other issues the Departments deems appropriate.";

and on page 2, line 20, by rewriting the line to read:

- "(3) A recommendation whether the General Assembly should require measurability assessments done in accordance with Chapter 143E of the General Statutes as part of the performance metrics to be used by the Department of Health and Human Services in assessing the quality of telemedicine services provided in the State.
- (4) Any other sources the Department deems appropriate.";

and on page 2, line 33, by rewriting the line to read:

- "(3) A recommendation whether the General Assembly should require measurability assessments done in accordance with Chapter 143E of the
